ASSOCIATE MEMBERS:

- Your company will hold the associate membership but application needs to be made by one person in the company.
- Associate members are businesses that provide products and/or services to the Port industry, excluding Government agencies.
- An Associate member must be approved by the PIA Executive committee.
- Associate members have no voting rights.
- Being an associate member allows you to connect with members and keep updated on relevant industry information. This also includes project work, or initiatives undertaken with government agencies.
- Associate members can engage with members at networking events such as our annual conference at Associate membership rates. (If numbers are limited preference for attendance will be given to associate members over non-members).
- Associate members will have access to PIA newsletters and member communications, along with access to nominated PIA subcommittees and subcommittee communications.
